GENDER	MALE
STATUS	SINGLE
EDUCATION	BS-CS
LOCATION	LAHORE, PAKISTAN

“I love exploring new destinations with my family, creating memories that my children will cherish forever.”

Bio

Sarib is a marketing professional and father of two who enjoys family vacations. He loves planning trips where everyone can participate in activities and relax. Sarib often struggles to find kid-friendly destinations that also allow for couple time. He is looking for a travel app that simplifies group vacation planning by suggesting itineraries and activities for all age groups.

Interests

- Photography
- Hiking
- Cooking
- Parenting blogs

Influences

- Travel vlogs
- Social media reviews
- Friends’ recommendations
- Parenting forums

Goals

- Create memorable family experiences
- Discover family-friendly destinations
- Save time and effort in planning
- Ensure a balance of relaxation and fun

Frustrations

- Lack of child-friendly options
- Difficulty aligning everyone’s schedules
- Hidden costs in travel packages
- Limited information about local attractions

“Traveling is my way of breaking free from the routine. A good travel app should make group trips stress-free and fun.”

Bio

Sameer is a software developer who loves adventure travel with his friends. As the planner of the group, he is often responsible for coordinating budgets, activities, and schedules. He gets frustrated when he cannot find tools that allow for seamless group collaboration and budget tracking.

Interests

- Rock climbing
- Gaming
- Watching sci-fi movies
- Blogging

Influences

- Online forums
- YouTube influencers
- Tech blogs
- Peer recommendations

Goals

- Plan efficient and cost-effective trips
- Discover new adventure spots
- Keep the group’s plans on track
- Encourage collaboration and idea-sharing among friends

Frustrations

- Miscommunication within the group
- Difficulty in splitting costs
- Lack of real-time updates for bookings
- Limited tools for group coordination
