“A perfect group trip is one where everyone’s needs are balanced and nature is appreciated to its fullest.”

Biography

Hina is a freelance graphic designer who enjoys organizing trips for her extended family. She values cultural experiences and often integrates local art and cuisine into her travel plans. Hina looks for apps that provide detailed cultural insights and allow for customized group itineraries.

Goals

- Explore cultural and artistic destinations
- Stay connected with family during trips
- Learn about local traditions and cuisines
- Save and share travel memories

Frustrations

- Lack of cultural insights in travel guides
- Difficulty in managing group logistics
- Poor customer support from travel services
- Language barriers while traveling

Personality

Creative

Social

Detail-oriented

Interests

- Painting
- Traveling
- Event planning
- Art exhibitions

Influences

Married

“A perfect group trip is one where everyone’s needs are balanced and nature is appreciated to its fullest.”

Biography

Bilal is a high school teacher and father of three who enjoys organizing trips to natural and historic locations. He often brings along his extended family and ensures everyone has a memorable time. Bilal values apps that offer eco-friendly travel options and detailed guides for group travel.

Goals

- Promote eco-friendly tourism
- Teach his children about nature and history
- Ensure trips are well-planned and inclusive
- Stay within a set budget

Frustrations

- Poor eco-friendly options
- Difficulty managing large groups
- Limited details about historic sites
- Unclear booking processes

Personality

Eco-conscious

Family-oriented

Organized
